PUBLIC FORUM TO DISCUSS DEVELOPMENT OF THE FORMER DUMP SITE

DATE: Tuesday, February 10, 1987
LOCATION: Tobin School Auditorium
TIME: 7 P.M.

Dear Cambridge Resident:

You are invited to attend a community meeting to be held on Tuesday, February 10 to discuss the final draft master plan for development of the former dump site as an athletic/recreational facility. The consultants will elaborate on the enclosed site plan, detail the findings of their geotechnical investigations, and outline what can be expected during Phase I of development scheduled to begin in Spring 1987.

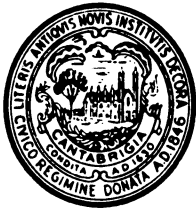

The current draft plan has been revised to reflect community input at prior public meetings. A large-scale map of the site plan will be on display at the February 10 meeting and copies of an Executive Summary outlining future development plans will be made available. In addition, beginning Monday, February 2, a large-scale site plan will be on display in the lobby of City Hall at 795 Massachusetts Avenue.

We look forward to this opportunity to present our revised plans for the site. I urge you to attend and familiarize yourself with this exciting project.

Very truly yours,

To the Honorable, the City Council:

Enclosed please find a copy of a notice sent to Cambridge residents regarding a public forum to be held on Tuesday, February 10 to discuss the final draft master plan for development of the former dump site as an athletic/recreational facility. The consultants will present a site plan which has been revised to reflect community input from prior meetings and will outline their findings from recent geotechnical investigations on the site.

Residents from all neighborhoods abutting the site as well as those on the mailing list for the project have been notified by mail. I urge you to notify all other interested parties to attend this important meeting.

Very truly yours,

A handwritten signature in dark ink, appearing to read "Robert W. Healy", is written over a horizontal line.
