Ms. D. Margaret Drury
City Clerk
City of Cambridge
City Hall
Cambridge, MA 02139

Dear Ms. Drury:

Mrs. McLaughlin and I deeply appreciate the Resolution passed by the Cambridge City Council on October 2nd in memory of our son Paul. I would like you to express to Councilor Sullivan and his colleagues our deep appreciation and assure them that the Resolution will be kept in the papers we are gathering together in memory of Paul.

Paul was indeed a fine young man. We were always proud of him but never more so than now when we have been reminded of the admiration and respect in which he was held by his peers and by the community in general. We can only hope that his tragic death and the surrounding circumstances will somehow energize all governments and people of good will to provide the personnel and the facilities necessary in today's climate to enable all of us to live and work in peace and to raise our families in safety.

With kind regards, I am

Sincerely,

Edward F. McLaughlin, Jr.
