Gentlemen:

I have an order of the City Council dated February 13, 1940, introduced by Councillor Finn to the effect that the City Electrician make the necessary arrangements to light the Tennis Courts at Cambridge Field which are now used for skating. I desire to inform you that this property is under the control of the Park and Recreation Dept. and the order should have gone to them. The installation if it were made would have to be maintained by the Park Dept. The Electrical Dept. has no jurisdiction over this property unless called in by the Park Dept. for advice and assistance. We hold ourselves ready to be called for such a purpose.
